ABOUT ME

I'm John Loyd Adobas, a Computer Engineering graduate from the Polytechnic University of the Philippines, specializing in System Development. My passion lies in the world of web development and design, where I have honed my skills in a range of technologies including HTML, CSS, JavaScript, PHP, Shopify and Wordpress.

WORK EXPERIENCE

FRONT-END DEVELOPER I4 ASIA INCORPORATED

October 2023 - PRESENT

This job experience exposed me to a variety of web technologies like Shopify, Wordpress, Vue.js, Laravel and Codeigniter, further enhancing my skills in programming.

SOFTWARE DEVELOPER TATERS ENTERPRISES INC.

August 2022 - October 2022

I learned the essence of React, Tailwind, and Codeigniter. It also helped me familiarize myself with version control software like Git and GitHub and the use of Composer for PHP and Node Package Manager.

JUNIOR WEB DEVELOPER DATATRENDS CO.

July 2021 - September 2021

Created graphical user interfaces with C#, utilizing the concepts of object-oriented programming. Content Management Systems (CMS) like Wordpress were also employed.

PORTFOLIO

PORTFOLIO WEBSITE

Create my own portfolio site detailing my work experience.

SHOESY

E-commerce portfolio website that sell shoes, built on top of Wordpress, Elementor and Woocommerce.
